

Join the Southside Art League!

The Southside Art League was established in 1963 as a non-profit organization with 59 Charter Members. Since then SALI has continued to grow and now hosts a major national exhibition as well as many local shows and events. SALI operates and thrives as an all volunteer organization. Funds come from individual memberships, class, workshop and gallery fees, corporate sponsors and grants.

The Southside Art League is located in Old Towne Greenwood. Guests are welcome to visit SALI's two galleries: The Off Broadway Gallery, where all members have an opportunity to display their artwork, as well as the Pumphouse Gallery.

The benefits of SALI membership are:

- Support the Arts in Greenwood and the south side of Indianapolis
- Classes for adults and children
- A weekly email newsletter listing SALI events and happenings around the state.
- Annual Student, Member and Photography Shows
- The Midwest National Abstract Art Exhibition
- The Create-Your-Heart-Out Paint Out
- Quarterly membership meetings with demonstrations by local artists
- Art About Town Program

Thanks to our friends who continue to support SALI and the local arts community.
