

**Local artist Heather Overton presents “America the Beautiful”
At The Southside Art League
November 2024**

Our featured artist will be exhibiting a collection of her works that embody the theme of her show. It will include a broad range of mediums which capture iconic landscapes, portraits and events that define our country.

Heather Overton is a born and bred Hoosier, who loves all things mid-west. She fell in love with creating as a child and has never stopped trying to capture the beauty she sees all around her. Heather enjoys working with a wide variety of mediums from watercolor, to oils, to woodburning, and her favorite subjects are people and landscapes. When not creating new art pieces, Heather loves to travel, work with children, and play with her spoiled rabbit named Milo.
