One-Artist-Show by David Shockley at the Southside Art League January, 2025

EVENT: A One-Artist-Show by Greenwood artist David Shockley at the Southside Art League Off Broadway Gallery in January, 2025. Our Guest Artist will be exhibiting a collection of his "Treasured Trinkets", which are glass-like art pieces that are molded from acrylic or epoxy.

ARTIST: David Shockley spent 50 years in the cabinet making industry. He recently retired and was looking for a new hobby when he discovered the art of making molded objects with acrylic or epoxy. Everything he needed to know to get started was available on the internet, including mixing ratios and combining colors.

He showed his sparkling containers to friends who were quite impressed with the beautiful jars, vases, candle holders, jewelry, photo frames, boxes, and even ball point pens. He enjoys experimenting with new mold shapes, and new color combinations for his art pieces, which his is wife has named "Treasured Trinkets."
