

Stick & Japanese Stab Binding Books

Learn how to make a handmade journal or sketchbook

Instructor, Annette Pokorny

Advance registration is required 812-276-9849

Beautiful books made with stitch binding and complimented by your choice of cover papers and design. This method is called the stab or block book binding because it was created to hold together a series of wood block prints long before moveable type was invented.

Materials and tools will be provided in class.

This will be the first of a series of book binding classes depending on attendance and interest.
